The immersion of Ganpati Bappa had started with full swing and fervour in the city in the month of September, 2023. Persistently, like from past 13 years, even this year, Green Vigil Foundation, an NGO working in the field of environment supported Nagpur Municipal Corporation in the eco-friendly Ganpati idol immersion at the air force side of Futala lake. Green Vigil Foundation Team was present at Futala lake from 5 p.m. to 10 p.m. on all ten days of Ganpati Visarjan.

Sanskar Maheshwari, a final year student of Shri Ramdeobaba College of Engineering & Management said, "The efforts made by the Nagpur Municipal Corporation to protect the city's waterbodies are commendable." This campaign sought overwhelming response from equally eco conscious citizens of the Nagpur city. More than 1000 Ganesha Idols were immersed in these eco-friendly water tanks during the Ganesh Utsav.

Eco-friendly Ganesh visarjan was carried out under the able guidance of Prakash Warhade, Deputy Commissioner, NMC and Dr. Gajendra Mahalle, Deputy Commissioner, NMC.
