Students Satisfaction Survey Report

2023-24

Sevadal Mahila Mahavidyalaya, Nagpur affiliated to Rashtrasant Tukadoji Maharaj Nagpur University, Nagpur has been constantly involved in enhancing the academic growth of students in connection to Teaching and Learning process. Every year at the end of the Academic Year students' feedback is taken to know the areas of improvement and the decision is taken accordingly as and when required.

Key Areas of Survey:

- Teacher preparedness and communication
- Relevance of course content
- Effectiveness of teaching methods
- Assessment practices and feedback
- Availability of learning resources
- Student engagement and support

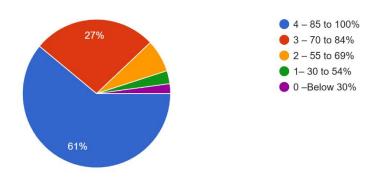

Importance of Student Satisfaction Survey:

- The student satisfaction survey is a significant component of the NAAC accreditation process, contributing a substantial weightage to the overall institutional grade.
- By analysing student feedback, institutions can identify areas where improvements are needed to enhance the learning experience and student satisfaction.
- Regularly conducting student satisfaction surveys allows institutions to monitor progress over time and make necessary adjustments to their academic practices.

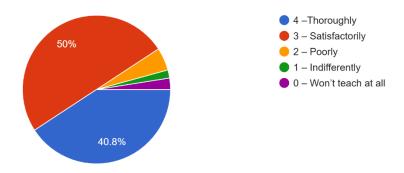

Following is the unbiased report of the students which is based on the questionnaire provided to them.

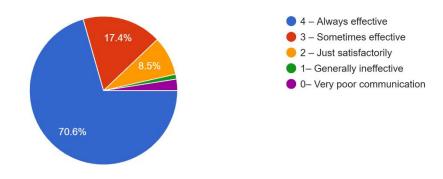

1. How much of the syllabus was covered in the class? 282 responses

2. How well did the teachers prepare for the classes? 282 responses

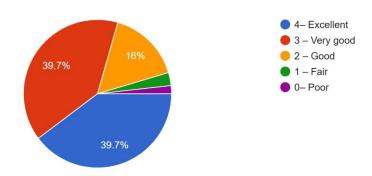

3. How well were the teachers able to communicate? 282 responses

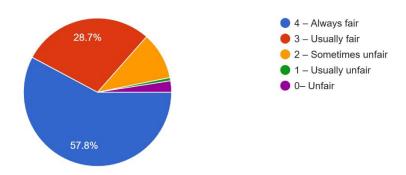

4. The teacher's approach to teaching can best be described as ²⁸² responses

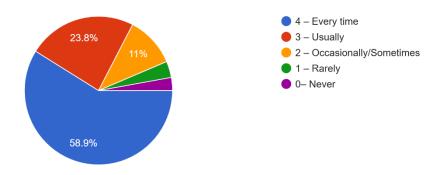

5. Fairness of the internal evaluation process by the teachers.

282 responses

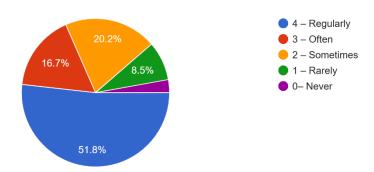

6. Was your performance in assignments discussed with you? 282 responses

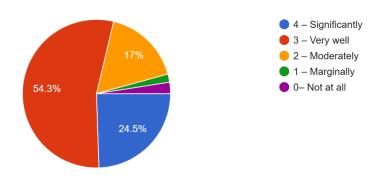

7. The institute takes active interest in promoting internship, student exchange, field visit opportunities for students.

282 responses

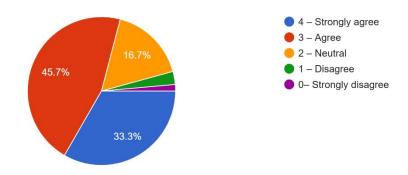

8. The teaching and mentoring process in your institution facilitates you in cognitive, social and emotional growth.

282 responses

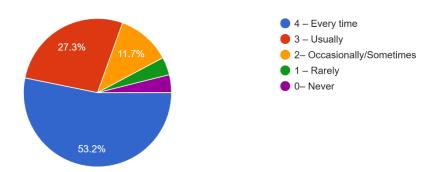

9. The institution provides multiple opportunities to learn and grow. 282 responses

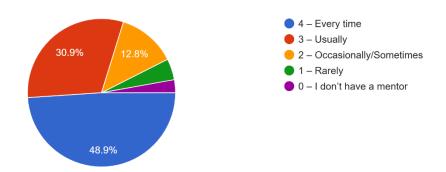

10. Teachers inform you about your expected competencies, course outcomes and programme outcomes.

282 responses

11. Your mentor does a necessary follow-up with an assigned task to you ²⁸² responses

12. The teachers illustrate the concepts through examples and applications.

282 responses

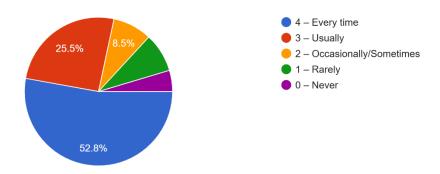

13. The teachers identify your strengths and encourage you with providing right level of challenges.

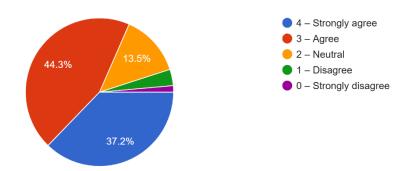

282 responses

14. Teachers are able to identify your weaknesses and help you to overcome them. ²⁸² responses

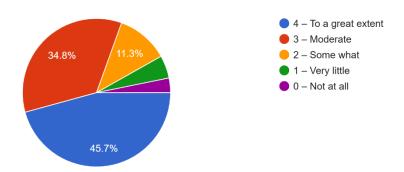

15. The institution makes effort to engage students in the monitoring, review and continuous quality improvement of the teaching learning process. 282 responses

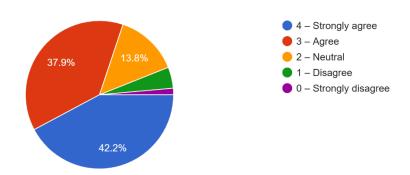

16. The institute/ teachers use student centric methods, such as experiential learning, participative learning and problem solving methodologies for enhancing learning experiences.

282 responses

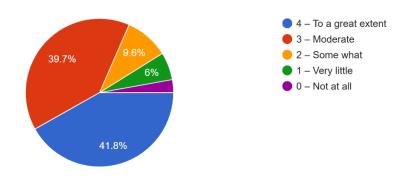

17. Teachers encourage you to participate in extracurricular activities. ²⁸² responses

18. Efforts are made by the institute/ teachers to inculcate soft skills, life skills and employability skills to make you ready for the world of work.

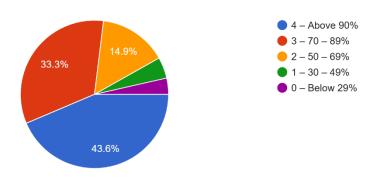

282 responses

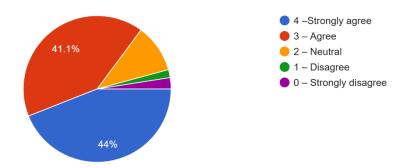

19. What percentage of teachers use ICT tools such as LCD projector, Multimedia, etc. while teaching.

282 responses

20. The overall quality of teaching-learning process in your institute is very good. ²⁸² responses

CONCLUSION

Students were given the above-mentioned questionnaire through Google Forms. Their responses were collected in the Excel Sheet. These responses were analysed in the graphical representation. According to the responses received most of the students have expressed that the Teaching and Learning process is pretty good, they are given varied exposure to participate in various activities both in academics and other areas of learning. When it comes to ICT usage some of the students have expressed that few more teachers can use it in an advanced way. Students responses also show that they are happy and satisfied with the way the Institution has given the best learning platform.

Total number of Admitted Students in the college – 913

Total number of Students Participation in the Student Satisfaction Survey – 284

Ratio of Student Satisfaction Survey – 4: 1
