## **Title : Sewing and Embroidery Training Center for Women**

### **Objective of The Practice:**

- ❖ To orient the student about the fabrics.
- ❖ To promote employment oriented skill, up gradation training to adolescent girls and women from the community.
- ❖ To learn the properties of various textile fabrics.
- ❖ To understand the principles of clothing construction and its application.
- ❖ To gain the practical knowledge of sewing and embroidery.

### **The Context:**

The College has started Sewing and Embroidery Training Centre at Village Narsala for the economic development of village girls and women. The main aim of this project is to develop self-employment, self-dependency in women by stitching and embroidery so that they can support their family financially to some extent.

### **The Practice:**

The Sewing and Embroidery Training Centre was started at Panchgaon in the year of 2005-06 with the help of Lion's club, Nagpur Legend and Panchgaon Grampanchayat. Dept. Of Textile and Clothing of Sevadal Mahila Mahavidyalaya, Nagpur, took initiative to train Panchgaon village women.

After Completion of **Nine** years the Sewing and Embroidery training Center of **Pachgaon** was shifted in Hostel premises of our college at **Narsala, district Nagpur** with the help of **Lions Club Nagpur South & Lions Club Nagpur New Diamond** from 2014-15 Session.

So the college has started the sewing and embroidery course for their social and economical development and establishment training center for poor and needy women in Narsala. For this, training center was started under the able guidance of **Dr. Pravin Charde** Principal, Sevadal Mahila Mahavidyalaya, Nagpur.

For the 2016-17 session we got **Two sewing machines from Lion's club, Nagpur South & Lions Club Nagpur New Diamond.. Dr.(Mrs.) N. A. Tiwade**, Head, Department of Textile and Clothing and **Dr.(Mrs.) H. A. Padole**, was deputed to train the rural women.

**Principal**  
Sevadal Mahila Mahavidyalaya  
Umrer Road, Nagpur-9.

For the session 2017-18 and session 2018-19 **Mrs. Sangeeta Gadekar** was appointed to train the student and she taught as per prescribed syllabus.

For the session 2019-20 **Mrs. Anita Bokade** was appointed to train the student and she taught as per prescribed syllabus.

The technical and curricular aid will be provided by the Textile and Clothing Department, Home Science Faculty, Sevadal Mahila Mahavidyalaya, Nagpur.

Sewing and embroidery Training Centers to make women self-sufficient and confident. Stitching garments is one job that remains till end of the mankind. Further, basic tailoring skills enable women to work from home, they can continue in their traditional role as homemaker and yet earn. Tailoring is something which women can immediately start right from their homes upon completion of their course. Interested women are train for embroidery skills as well as tailoring. The course duration is three months for basic cutting & sewing.

From the year 2019, we have been conducting empowerment programs in skillful trainings to earn income for women & girls. Since then many of women and girls learnt and started their establishments in Sewing and Embroidery. They get orders from neighborhoods, does stitching the different type of petticoats, blouses, salwar kurtas. With this microenterprise they earn income Rs.2000/month as additional income for their family needs.

We have been conducting three months skills training in sewing and embroidery courses for the 25 women in a batch belongs to backward sections in Narsala Dist. Nagpur, through teaching classes. In this training center students are trained by a qualified tailoring teacher. Certificates are given to those who successfully complete the course. After completing of three months training, some Women/Girls can start their own tailoring shops, while many can secure well-paying jobs in the export garment factories in the nearby areas, or sub-contract work from large tailoring shops.

At the end of the training, the feedback form has been obtained from the students for evaluation of the course. The women were satisfied after the completion of the course

### **Evidence of Success:**

Participants are satisfied and gave positive opinion in their feedback form. Most of the women had been benefitted every year. Due to this good reason college administration decided to continue this training project with some changes adopted in the syllabus after getting the feedback from trainees. The course was successfully runned by Department of Textile And Clothing, Home Science faculty of Sevadal Mahila Mahavidyalaya, Nagpur.

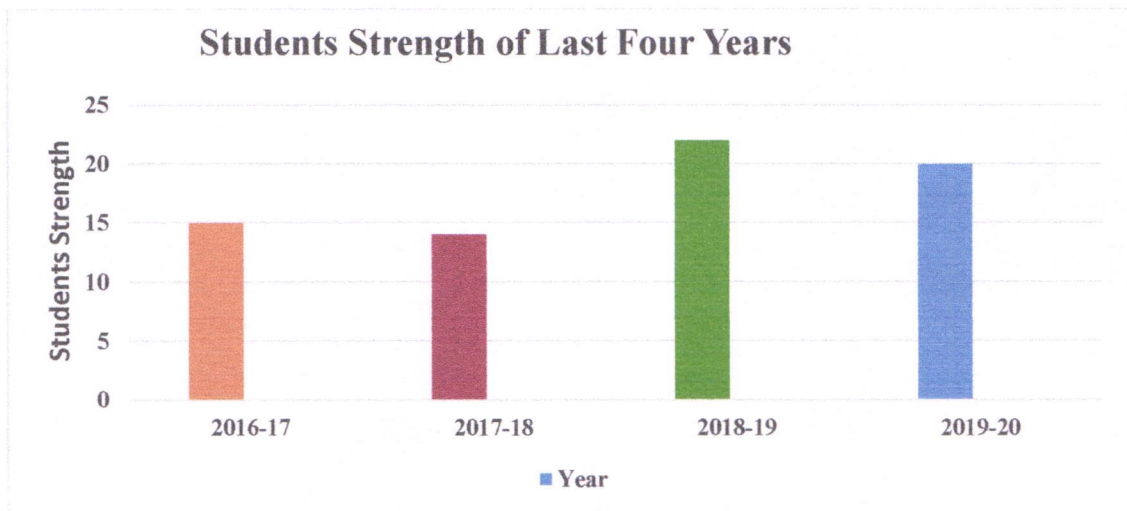

## Problems Encountered and Resources Required:

- Room for the Centre and other technical and financial support is provided by the College.
- Even if women's from rural areas are very much interested in joining the sewing and embroidery course but due to their rural family background and its old concept they are hesitant in joining the course.
- Another reason is as most of the rural area tends to work in farm to earn for their living due to this they can't join the course as they are unable to spend the time in training center.
- Percentage of illiteracy among the women in rural areas is very high, due to this they don't know the value of this course.

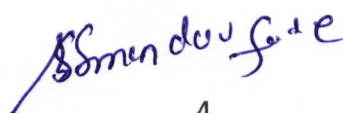

Due to corona pandemic in the session of 2020-21 and 2021-22 I do not got the students for sewing and embroidery Training course. In both sessions interior colleges were closed. Parents/husbands did not allow their girls/wives to attend this training course due to corona pandemic.
