## **Feedback System**

### **Feedback from Stakeholders on Curriculum:**

Internal Quality Assurance Cell makes it a tradition to mandatorily collect feedback from stakeholders- students, teachers, alumni and employers. This is done by the feedback committee. They collect and analyse the feedback received and make suggestions to appropriate bodies so as to initiate the action for improvement. In past it used to be collected manually, but shifting the institute on technology, it has been made system supported & online

**Subject :- Formation of feedback committee**

Sir,

Apropos to the subject cited above in purview of NAAC guidelines, I hereby directs you to form a fresh feedback committee in the college. The committee should designs a tested feedback module in the form of questionnaires to be filled up by the students, teachers, alumni and employers. The college must have a well defined feedback system in place of taking feedback from all stakeholders, namely, students, teachers, parents' alumni and employers once in a year. The collective feedback are summarized and analyzed for the corrective measures and continuous improvements; the objective of feedback collection is to provide a framework for acquiring, summarizing and documenting information on the inputs received from all the stakeholders viz. students, faculty, alumni, employers and parents.

Committee should obtained a feedback yearly from various stakeholders help alleviate the academic concerns and motivate the students and faculty to improve their performance. Feedbacks are taken into consideration and corrective measures/improvements are made by the Head of the departments and the Principal. If necessary, these suggestions are forwarded to the management for further action. Feedback from various sources has significantly improved academic activities, effective usage of teaching learning resources and student's professional career advancements.

Feedback committee should do the work as per the guideline of the NAAC.
