## Report on Vocational Training Programmes

Vocational Education is education that prepares a person to work as a technician or to take up employment in a skilled craft or trade as a trade person. It helps an individual to prepare to be gainfully employed or self-employed with requisite skill. When it comes to finding a job the skills that are needed plays an essential role. Students who do not have the necessary skills finds themselves struggling for a job. So in present scenario Vocational Training Programmes are very important for students.

Sevadal Mahila Mahavidyalaya belives in overall development of the students and to provide them an education which help to be self-dependent. In this context college has provided a platform to the students through Vocational training programs. The span for the following training was **1April 2017 to 13 December 2018**. Following training programmes were conducted in the institution with the help of Vocational Training programme Scheme.

- 1) Account Assistant Using Tally- Batch 1
- 2) Account Assistant Using Tally- Batch 2
- 3) Ornamentalist- Bead Work for Garments
- 4) Soft Skill for Front Line Assistant
- 5) Traditional Embriodery
- 6) Zardosi Work

Under the **NULM- Deendayal Antyodaya Yojana National Urban Livelihoods Mission, Ministry of Housing and Urban Affairs, Government of India** these Vocational Training Programmes were conducted in the college. Shri Arvind Bagdade, Coordinator- VTP Centre Nagpur coordinated these trainings. In every training programme 30 students were registered for each one.

Sevadal Mahila Mahavidyalaya continuously strives to provide state-of-the-art technologies and update its ICT facilities to ensure efficient functioning.

There are different digital technological facilities available in the college. For making better teaching and learning as much as 29 overhead projectors are installed at various points (twelve (12) smart classrooms, thirteen (13) UG & PG laboratories, one (01) Seminar Hall and one (01) Principal's office). English Language Lab and Computer Lab are laced with modern IT amenities. College library is facilitated with the Wi-Fi connectivity along with updated computers with latest software for online learning. There is open access of Wi-Fi connectivity to all the students and the staff members of the college. All the departments of the college are provided with computers and other related accessories. All teaching staff members use the ICT in the classrooms and laboratories, whenever needed.

Most of the official work is being done with the help of ICT.

With the each passing day, college administration upgrades computer numbers for the student's use. As many as 99 computers laced with wi-fi facility are pressed into student's service. Students use this service to complete their projects and gain subject knowledge. They have full liberty to use this facility as per their requirement.

Taking digital revolution in its stride Sevadal Mahila Mahavidyalaya adopted e-governance policy of the government with foresightedness. Through the special committee 'Computer Society', college has developed ICT infrastructure for better governance. Assistance and support of hardware as well as software are given to the users.

For the ease of maintaining accounts and finance, the suitable software from MasterSoft, ERP Solutions Pvt. Ltd has been made part of day to day functioning. Further it is updated

Umber Road, Nagpur.

from time to time. Internet connectivity has been made strong to boost speed of work. Updated ICT facility in the college has improved financial health of the college.

Library is the backbone of any institute. College library is well equipped with all the Information Technology facilities and has developed automated systems. A Library Management Software is installed in the Library to keep track of the books and journals. All the books and referential materials could be accessed online. Web-based OPAC facility through Android App is given not only to the students but also to the staff members of the college. Every single book and journal of the library can be searched online by the users. The library has also installed 48 inches LCD TV for watching documentaries and educational films on Internet.

The college regularly updates and maintains the ICT facilities. Every year college outsource Annual Maintenance Contract service to the third party vendor i.e. Data Tech Systems. Under the annual maintenance computers are updated regularly. Anti-virus is regularly updated in computers to keep data safe from any cyber threat. All computers are laced with Wi-Fi internet connectivity.

### **Wi-Fi INTERNET**

**Subject: Maintenance Contract for the Session 2020-21 of all available Desktops/Laptops/CCTV Cameras/Networking Devices in the college.**

Sir,

With the continuation of your service regarding the maintenance contract of the Desktops, Laptops, CCTV Cameras and Networking Devices in the college, I hereby place maintenance contract order this year too for the same on the basis of following conditions.

1. During the working days as and when we need your service for the repairing of any Desktops, Laptops, CCTV Cameras and Networking Devices problem, your service will be solicited to solve the problem in addition to your regular service.
2. The payment regarding the service provided by you and the spares used for the repairing will be made after every two months.
3. The new Desktops and Laptops, which comes under the guarantee or warrantee period does not include in the contract.
4. During the maintenance contract, if your service does not find satisfactorily, college authority will have every right to cancel the contract without any prior notification.

Thanking you.
