Sevadal Mahila Mahavidyalaya continuously strives to provide state-of-the-art technologies and update its ICT facilities to ensure efficient functioning.

There are different digital technological facilities available in the college. For making better teaching and learning as much as 29 overhead projectors are installed at various points (twelve (12) smart classrooms, thirteen (13) UG & PG laboratories, one (01) Seminar Hall and one (01) Principal's office). English Language Lab and Computer Lab are laced with modern IT amenities. College library is facilitated with the Wi-Fi connectivity along with updated computers with latest software for online learning. There is open access of Wi-Fi connectivity to all the students and the staff members of the college. All the departments of the college are provided with computers and other related accessories. All teaching staff members use the ICT in the classrooms and laboratories, whenever needed.

Most of the official work is being done with the help of ICT.

With the each passing day, college administration upgrades computer numbers for the student's use. As many as 99 computers laced with wi-fi facility are pressed into student's service. Students use this service to complete their projects and gain subject knowledge. They have full liberty to use this facility as per their requirement.

Taking digital revolution in its stride Sevadal Mahila Mahavidyalaya adopted e-governance policy of the government with foresightedness. Through the special committee 'Computer Society', college has developed ICT infrastructure for better governance. Assistance and support of hardware as well as software are given to the users.

For the ease of maintaining accounts and finance, the suitable software from MasterSoft, ERP Solutions Pvt. Ltd has been made part of day to day functioning. Further it is updated

from time to time. Internet connectivity has been made strong to boost speed of work. Updated ICT facility in the college has improved financial health of the college.

Library is the backbone of any institute. College library is well equipped with all the Information Technology facilities and has developed automated systems. A Library Management Software is installed in the Library to keep track of the books and journals. All the books and referential materials could be accessed online. Web-based OPAC facility through Android App is given not only to the students but also to the staff members of the college. Every single book and journal of the library can be searched online by the users. The library has also installed 48 inches LCD TV for watching documentaries and educational films on Internet.

The college regularly updates and maintains the ICT facilities. Every year college outsource Annual Maintenance Contract service to the third party vendor i.e. Data Tech Systems. Under the annual maintenance computers are updated regularly. Anti-virus is regularly updated in computers to keep data safe from any cyber threat. All computers are laced with Wi-Fi internet connectivity.
