### Alumni Association

#### INTRODUCTION:

Alumni association is an association of graduates and former students (alumni). The alumni students provide various services that help alumni maintain connections to their educational institution and fellow graduates.

The Alumni Association assists their institutions in admittance of new students, develop mentor relationships with the student body, and often support research or expansion through rewards. Alumni Associations help the students in institutional supports.

Alumni Association turns out to be an exceptionally effective kind of social network. This is because the students chose their own course in undergraduate and graduate programs that have social groups which generates both a higher level of interaction and longer-lived relationships.

Registered Alumni Association has been formed for the development of the institution and the welfare of the students at large. The Alumni Association of Sevadal Mahila Mahavidyalaya, Nagpur is organizes many activities and guest lectures of experts of different fields as a part of giving exposure to students and for acquiring additional knowledge. As per the directives received from the Hon'ble Principal various activities are carried out by the Alumni Association for benefitting the students.

#### AIMS AND OBJECTIVES:

- To promote interaction amongst the members and to serve as a link between the members of the Alumni Association and Institution.
- To encourage students of the college by awarding prizes to meritorious students showing bright performance in the field of education and other activities.
- To extend every possible help to the college for overall progress.
- To organize Welfare Services for its members, college students and humanity at large.

**Report of Alumni Association**

- To work towards improvement of health care services.
- To conduct workshops, seminars, education sessions and meetings for the purpose of promotion of academic skills for improving their job skills.
- To represent and participate in the conferences, seminars, Founder's Day celebrations, cultural and sports activities organised by the institution.
- To mobilize and generate resources and funds through subscription or membership fee to carry out the objectives of the Association in the best interest of institution.
- To promote and foster beneficial interaction between the alumni and present student.

**I] Guest lecture on "Ozone For Life", by Dr. Vijaykumar S. Mangle.**

Sevadal Mahila Mahavidyalaya, Science Association, Co-curricular and Cultural Committee and Alumni Association of the college organized a guest lecture and college level "Poster Competition" on the eve of "World Ozone Day" i.e., 16th September, 2021.

The guest lecture was delivered by Dr. Vijaykumar S. Mangle, Assistant Professor & Co-Ordinator, Post Graduate Department of Environmental Science, Arts, Commerce and Science College, Chikhaldara. The theme for this year was "Ozone for Life". Every year September 16th is we celebrate World

Ozone Day. Due to COVID-19 pandemic this day was celebrated virtually (<https://meet.google.com/dyq-iqeu-cfk>). The main aim of this lecture was to remind the world about the depletion of the ozone layer and its dangers. The ozone layer of the Earth protects us from the harmful ultraviolet rays of the sun. Unfortunately, our race for maintaining a high quality of life has led to its depletion.

The theme for this year given by the United Nation Environment Program (UNEP) is **Montreal Protocol – keeping us, our food and vaccines cool**. On 1st January 1989 the Montreal Protocol came into force to stop the depletion and reduce the usage of substances that cause holes in our protective blanket. Sustaining the Ozone layer is hence the collective responsibility of all the nations. We are the agents of Environment change. Let's join hands to preserve life on this planet by protecting Ozone Shield. Let's take an oath to protect Ozone layer and save earth on World Ozone Day.

### III] Guest lecture on “Change Management, Attitude Management and Communication Skill”.

Sevadal Mahila Mahavidyalaya, Students Welfare, Student Alumni Committee and Department of Library of the college organized a guest lecture on “Change Management, Attitude Management and Communication Skill” by Ms. Komal Hatwar, Freelancer, Soft Skill Trainer on 18<sup>th</sup> December, 2021. Strong communication abilities are beneficial in all area of life, including work, relationships, and everything in between. From a commercial perspective, communication is the foundation of all transactions. To understand information more properly and rapidly, both you and other people, you must have effective communication skills. An element that is unknown and dangerous is present in suppressed and stored rage. Anger management teaches you to recognise your anger, anticipate it, and learn how to deal with it so that you can achieve more positive results. This is collective responsibility of our society to help the younger generation in dealing with these inhibitions to help them grow into successful individuals. Dr. S.G.Rokde introduce the speaker and Dr. Mrs. B.S.Tapase proposed vote of thanks. The lecture was very beneficial for their future career development for the students.
