Concept of Gender is an integral part of the curriculum for the students of Bachelor of Arts, with the subjects like Sociology. The students of B.A. part I, with the subject Sociology, in Semester II with paper students can understand the meaning of Gender, main categories of Gender, issues in Gender rights.

Annual gender sensitization action plan:

Gender is the state of equal ease of access to the resources and opportunities regardless of sex. Though India has achieved a great success in every field of life still it has an issue of gender discrimination. Being a women college, there is no issue of gender discrimination. The institution puts in sincere efforts to integrate the other issues related to female gender, human rights through various activities.

To create awareness about the concept of Gender and the Importance of Gender Equality, college organizes various activities, by promoting the students for their active participation.
