Vishwashanti Multipurpose Society (Global Peace Multipurpose Society) was formulated on the Principles of STS (Science & Technology for Society), a movement which has a long history in science education reform and embraces a wide range of theories about the intersection between science & technology and society. The key aim behind these efforts was to ensure the development of a broad-based science curriculum, embedded in the socio-political and cultural contexts in which it was formulated.

To commemorate with Passionate principles of Science & Technology for Society "Vishwashanti Multipurpose Society", Nagpur, Maharashtra, India has come up with two Scientific Research Journals for scientific society which are published four monthly in months of January, May & September. The two Journals are:

1. International Journal of Researches in Biosciences, Agriculture & Technology, IJRBAT. (ISSN No.: 2347-517X)

2. International Journal of Researches in Social Sciences & Information Studies, IJRSSIS. (ISSN No.: 2347-8209)

VSMS path towards service to society is neither automatic nor inevitable...we know every step toward the goal requires sacrifice, suffering and struggle; the tireless exertions and passionate concern of our dedicated Directors.
