To,
Dr. S. G. Rokde
 Coordinator
 NAAC Criterion I
 Sevadal Mahila Mahavidyalaya,
 Nagpur ४४,

Subject: To start the value added courses for the students.

Sir,

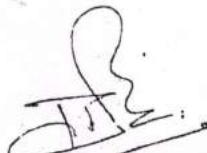

Our institution has decided to undergo re-accreditation for the 4th cycle of NAAC, Bangalore. The most important step in the process of assessment and re-accreditation is the preparation of 'Self-Study Report' by the institution following the guidelines/SOP formulated by NAAC, Bangalore.

In this regard it has been observed that the Criterion I, "Curricular Aspects" has great scope to expand its horizon by starting some new value added courses for the students. To achieve this objective, it would make much wise sense to start some courses in the faculty of Home Science to fulfill the requirement of the students.

Faculty/ Department	Name of the course	Target students	Course coordinator
Food and Nutrition	Food Preservation	B.Sc. 1 st Home Sci.	Mrs. J. D. Kamble
Food and Nutrition	Neutraceuticals Science	B.Sc. 2 nd Home Sci.	Mrs. J. D. Kamble
Food and Nutrition	Nutrition and Dietetics	B.Sc. Final Home Sci.	Dr.(Mrs.) M. M. Johrapurkar

I am optimistic, in the interest of the institution; you will render your co-operation to
 Dr. S. G. Rokade, Co-ordinator of Criterion-I.
