Accompanying Staff: **Dr. P. R. Bhandari**
 Prof. Mrs. S. R. Nimbarte
 Dr. Mrs. K. V. Dubey
 Ms. Milli Thakkar
 Ms. Aditi Khagar
 Shri. Raju Nachankar

An excursion tour for B. Sc. –I Sem –II Microbiology students was organized on 31st January 2019 to Mohgaon Zilpi, Hingna, District Nagpur, Maharashtra which is 35km away from the our college. The picturesque spot is surrounded by hills of Teak plantations of forest department of three sides and magnificent Zilpi Irrigation lake on the fourth side. Being at a considerable distance from Nagpur, it indeed has best of both the worlds, so near to civilization and yet far from hustle and bustle of town. There are no chances of any building activity development nearby Maitraban, thereby keeping it always air & noise pollution free.

In all 64 students accompanied the teachers for the tour. To meet the overall expenses of the tour, contribution of Rs. 30100/- was collected from the students. Among 64 students accompanied, 57 students contributed Rs. 28500/ @ Rs. 500/ each, Rs. 600/- by two students @ Rs. 300/- each and Rs. 1000/- by four students @ Rs. 250/- each. Thus total collection of Rs. 30100/- was made. Complete discount was given to one student. Two luxury buses were arranged for the proper and safe mode of transport of the students. All the students reported sharp at 8:00 am in the premises of the college and we began at 8:45 am for the adventurous tour, we reached the destination at 10.15 AM and we were received by Executives of the Maitraban Adventure Camp who guided us during the visit.

Firstly, students were welcomed in the lush green canopy of the Maitraban Adventure Camp where an Executive Commando briefed the students about various activities the students can perform such as Jungle trekking, Balancing plank, valley crossing/flying Fox, Commando Crawling, Ladder Bridge, tyre bridge, Commando Net, and Fun games. Students were anxious and eager to perform all these activities.

The objectives of arranging adventure camp were to help the college students to explore their personal strengths, develop self confidence and to develop leadership skills so that their overall development is achieved along with the academic development.

After carrying out various fun filled adventurous activities we departed from Maitraban Adventure Camp at 5.15 PM and we reached college at 6:45 pm. Students enjoyed the adventure activities to the fullest and then dispersed to their homes.

The educational tour was successful as student learned new avenues in the field of adventure that are useful in overall development of the students.
