Visit to Ordnance Factory Ambazari, Nagpur

Date of Visit : - 17/07/2025

Place of Visit:- Ordnance Factory Ambazari, Nagpur

Organized by: - Department of Chemistry, Sevadal Mahila Mahavidyalaya

Participants: - M.Sc (Chemistry) Second Year students.

• Introduction

The Department of chemistry organized an educational visit to the ordinance factory canteen and training centre to understand its functioning, hygiene practices, making of bullet shells and management system. The visit aimed to provide practical exposure to full safety measures, cleanliness, chemical usage in daily operations and training facilities for new employees.

Visit to OFAJ Canteen

Composting pit of O.F.A.J.

- **Event Objectives**

The main objective of the visit was to observe how food preparation and cleanliness are maintained in a large scale industrial canteen, and to understand the role of cleaning agents, disinfectants, and other chemicals used in maintaining standards, to learn about the functioning of the Ordnance Factory, training process of workers and staff and to understand safety rules and quality control measures and to gain knowledge related to industrial processes.

- **Participants**

Total Attendees – 12 students and 03 staff members.

Students and Staff in training center

- **Observations :-**

The canteen maintains strict cleanliness and follows proper waste disposal methods. Safe and hygienic cooking practices were observed. Stainless steel utensils and purified water are used to ensure quality. Cleaning materials such as floor cleaners, dish washing liquids, and sanitizers are used regularly. Staff members follow safety measures such as wearing gloves, aprons and caps.

During the visit students observed various training departments and bullet making workshop. The instructors explained how different equipment and machines are operated safely and demonstrated the assembly and inspection of different defense materials. Students also learned about the importance of discipline, precision, and teamwork in defense production.

Mr. Vishal Agey sir explaining about the various parts of Rocket.

Visit to Yantra Institute of Technology and Management, OFAJ

- **Learning outcomes:-**

Gained insight in to low scale food management and cleanliness maintenance.

Understood the importance of hygiene and chemical handling in food areas.

- **Conclusion**

The visit to the ordnance factory canteen was informative and educational. It provided valuable knowledge about the application of chemistry in maintaining cleanliness and hygiene in food service environments. It enhanced students understanding of defense production and the importance of skill based training in the industrial sector.

Subject : Permission for Industrial Educational Visit.

Respected Sir,

I may be excused for disturbing your busy schedule. I am approaching you through this letter to appraise you that, Sevalal Mahila Mahavidyalaya, Nagpur is one of the premier institution engaged in dissemination of scientific information and science popularization..

As a part of curriculum, our **Second Year M.Sc. (Chemistry) and B.A. (Home Economics)** students need to visit esteemed Industry/Organization/Laboratory to carry out study.

Therefore, we kindly request you to allow us permission for the said visit. Total 12 students will be accompanying by 4 staff members.

We will be very much thankful, if some of your expert will guide and enlighten our students during the visit.

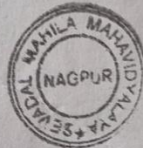

Thanking you in anticipation.

Sincerely yours,
