Session 2025-26

Report on School Connect Programme by Department of chemistry

As per national education policy college as to conduct school connect programmes. Department of chemistry of Sevadal Mahila Mahavidyalaya has organized this programme on 16 september 2025. Students of Vidharbha Buniyadi High school and junior college visited the department. Various instrument and apparatus were displayed in the department.

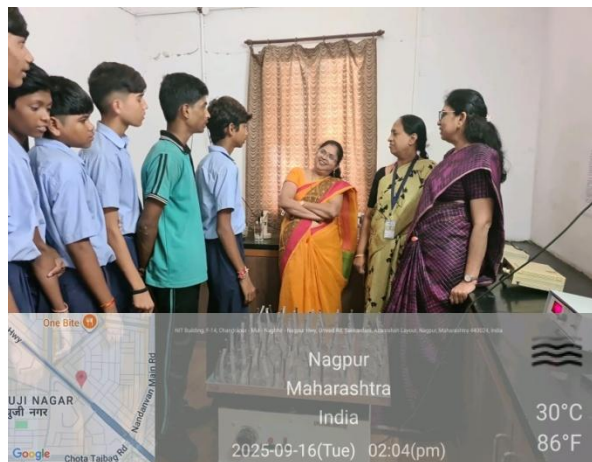

The instruments like conductometer, potentiometer, turbidity meter, colorimeter, spectrophotometer, UV- visible spectrophotometer, digital balance, shaking machine were displayed. Lectures from the department explained working of various instrument and applications. Various experiments like ph of water, conductivity of water was carried out in front of students. Neutralization of acid by base was also demonstrated and performed in front of students. Students asked many questions and got satisfied answers. Students were very happy after visit. Faculties of the department and non teaching staff work hard for the success of event. This programme was carried out under the guidance and support of Dr. Mrs. N.S. Dhoble madam, Principal of Sevadal Mahila Mahavidyalaya Nagpur.
