Best Practices of the Institution

Best Practice No. II

a) Title of the Practice: Donation to Orphanage

b) **Goal:** This 15 years old practice endeavours to meet the following goals.

- To help orphan children to grow into responsible, self sufficient human beings
- To enrich the lives of our community's youngest abandoned members.

c) Context:

Orphans in the orphanages are given a safe environment to grow. It is important to take care of abandoned children so they grow into responsible, self sufficient and emotionally stable human beings. Public assistance is required to provide these children with adequate food, health care, clothing, education and psychological support.

The college believes that with the little help and a few donations for orphans, we can make a difference and positive impact in the life of someone who otherwise would never have a chance of life.

d) The Practice:

The donation to the orphanage was started from the academic year 2005-2006 to the VARADAAN institute for orphanage (Vidarbha chapter), Nagpur. Department of Extension Education, Home Science Faculty of Sevadal Mahila Mahavidyalaya, Nagpur is conducting this practice since 15

years. Dr.(Mrs) A.S. Dhoble, Associate Professor and Head, department of Extension Education is in-charge of this noble cause. VARADAAN institute (Vidarbha chapter), Nagpur is nurturing the abandoned children with full responsibility. The basic need is to meet the physical, mental, emotional and spiritual needs of orphan children by providing them with love, care, nourishment, and create a positive loving environment. The children are well looked after and provided food, clothing, shelter, medications, etc. To ensure their growth and to support this noble cause Dr.(Mrs). Aparna S. Dhoble and the member of this committee, Dr. Archana R. Rathakanthiwar, Assistant Professor conduct this activity every year. For this activity, the money is being collected from the staff members of the college. As per requirement of orphans, we try to fulfil their needs. The required items like medicines, baby care products, clothes are being donated. Hon'ble Principal's office and the staff members are whole heartedly supporting this endeavour of the college.

e) Evidence of Success:

Thanks giving letter is received by the college from VARADAAN for this unending support. They always appreciate the work as we are donating the material as per their needs. This activity is proving as one of the major support in the development of these youngest orphanages of VARADAAN.

f) Problems Encountered:

As the number of children in orphanage home is increasing the demand of the requirements is also increasing. More funds need to be raised to meet the needs of the growing children.
